

Benefits of Meal Selection

Meal Selection allows your child to engage with healthy school menus and ensures children receive the meal they selected - even if they are the last class to have their lunch.

Safety comes first

- Parents and carers can update Meal Selection with any allergens and special dietary requirements
- Ensures that your children are eating meals that are safe for them
- Children and parents feel secure knowing that they are picking meals free from highlighted allergies
- Feel confident that religious and special dietary requirements will be observed.

Peace of mind for you and your children

Meals can be ordered up to 10 weeks in advance or up to 8am on the day of the meal, dependant on the school/caterer requirement.

Orders can be amended or cancelled before 8am on the day which saves time on lengthy phone calls to school.

View and make meal bookings on any device, phone, tablet or computer and at a time that is convenient to you.

Allows you to book meals safe in the knowledge that no payment will be required if your child receives free school meals.

Putting parents and carers at the heart of managing school meals

Book safe meal choices free from highlighted allergies and feel confident that religious and special dietary requirements are observed.

View the full history of the meals your child has received along with the transaction data and account balance.

Meal Selection includes a fun, child-friendly in-classroom ordering system, designed to allow children to engage with the meals they're choosing.
